

The aim of the Society is to promote friendship and genealogical interest.

We currently send four newsletters a year to financial members, and meet officially for the AGM and Social Gathering once a year.

Membership is open to all Mac/McKenzies, any descendants of Mac/McKenzies, or anyone who has an interest or is a friend.

There are variations in the spelling of these names, especially in the Mc. Mac. M' as is so with the original name MacKenzie. The variations in the spelling of MacKenzie came in from the translation into English of the gaelic MhicCoineach.
